Examination of the above-entitled actions reveals that these actions are related within the meaning of Local Rule 123 (E.D. Cal. 2005). Accordingly, the assignment of the matters to the same judge and magistrate judge is likely to affect a substantial savings of judicial effort and is also likely to be convenient for the

1 parties.

2 The parties should be aware that relating the cases under
3 Local Rule 123 merely has the result that these actions are
4 assigned to the same judge and magistrate judge; no consolidation
5 of the actions is effected. Under the regular practice of this
6 court, related cases are generally assigned to the judge and
7 magistrate judge to whom the first filed action was assigned.

8 IT IS THEREFORE ORDERED that the actions denominated
